May 20, 2014

Bethesda, Maryland – The Board of Directors of the American Occupational Therapy Foundation (AOTF) is pleased to announce that scholarships have been awarded to over 40 occupational therapy students around the country for 2014. Scholarships are awarded based on selection criteria that include academic achievement, service and written recommendations.

The AOTF administers funds for scholarship provided through endowments and partnerships with over 20 state occupational therapy associations, corporations, the Assembly of Student Delegates (ASD) of the American Occupational Therapy Association (AOTA) and the National Board for Certification in Occupational Therapy (NBCOT).

The Foundation also administers and awards several scholarships established in memory of prominent occupational therapy practitioners, as well as scholarships sponsored by corporate and non-profit supporters. Corporate sponsor North Coast Medical provides generous scholarships for two students, and for the 38th consecutive year, Kappa Delta Phi Sorority has funded generous scholarships for students.

The Board of Directors of the American Occupational Therapy Foundation congratulates all scholarship winners and extends its appreciation to all students who applied. The work of the Scholarship Selection Committee, chaired by Dr. Aaron Eakman is acknowledged with gratitude.
